Internet access

Wired internet access

A general user account has been set up on the Greenfield-Central High School server so Jamboree attendees can access the internet from one of the school's computers.

Username: summerstudent
Password: cougars

Jamboree attendees can use computers in the main area of the Media Center.

Wireless internet access

A wireless network has also been set up for Jamboree attendees to use.

Network name: GCHS-TEMP
Password: igem2012
